

The Cincinnati *Dance & Movement* Center

2018-2019 Tuition and Payment Policies

Quick Reference for Monthly Tuition Payment (When calculating Multiple Class Discount, please start with longest class first.)

	30-minute class	45-minute class	60-minute class	75-minute class
1 st class per week (start with longest class)	\$40.00	\$47.00	\$54.00	\$60.00
2 nd class per week	\$36.00	\$42.30	\$48.60	\$54.00
3 rd class per week	\$32.00	\$37.60	\$43.20	\$48.00
4 th class per week	\$28.00	\$32.90	\$37.80	\$42.00
5 th class per week	\$24.00	\$28.20	\$32.40	\$36.00
6 th or more class per week	\$20.00	\$23.50	\$27.00	\$30.00

TUITION AND PAYMENT POLICIES:

REGISTRATION FEE: There is one \$25 registration fee per student due at the time of registering for class. If a student pays more than one \$25 registration fee online while registering for multiple classes (a \$25 registration fee is required online for each class), the additional registration fee payments will be credited to the student's tuition. In other words, if a student registers for four classes online and pays four \$25 registration fees for a total of \$100, \$75 of that payment will be applied to tuition. Registration fee includes a CDMC gift (such as a CDMC water bottle, tote bag, etc.) which vary from year to year; on your first day of class, please see the administrative assistant at the counter to choose your gift.

TUITION FOR DROP-IN CLASSES: For tuition of drop-in classes, please refer to the notes in the class schedule that pertain to that class. Drop-in Classes may be paid for individually when coming to class, or "dance cards" for a certain number of classes may be purchased in advance at a discounted price.

TUITION FOR WEEKLY CLASSES:

In most cases, tuition is paid once a month (unless the pay-in-advance option is chosen.) Classes meet weekly for 34 classes total, starting September 17, 2018 and continuing through to the year-end recital in mid-June. (Exact date of recital will be set in the fall based on facility availability, and the recital date will be between June 7 and June 16, 2018.)
To clarify, there are ten equal installment payments for tuition for the 2018/2019 dance year, September through the year-end recital in June. Some months have more class days than other months, but the total number of class days for each class is equal. For example, Monday classes have the same total number of classes (34) for the year as Tuesday, Wednesday, or Thursday classes, although it may differ from month to month.

Tuition for one class per week is as follows, and is prorated for students joining class after September:

30-minute weekly class: \$40 due the first of each month (September 2018 through June 2019)

45-minute weekly class: \$47 due the first of each month (September 2018 through June 2019)

60-minute weekly class: \$54 due the first of each month (September 2018 through June 2019)

75-minute weekly class: \$60 due the first of each month (September 2018 through June 2019)

Note: This is full-price tuition and does not take into account the various discounts we offer, including pay-in-advance, multi-class, or sibling discount.

MULTIPLE-CLASS DISCOUNT: This discount applies to students who take more than one weekly class: 10% off 2nd class, 20% off 3rd class, 30% off 4th class, 40% off 5th class, 50% off 6th or more classes. (Please see Quick Reference Chart.)

FAMILY/SIBLING DISCOUNT: 10% off tuition for 2nd (or more) member of the same immediate family registering at the same time. An individual may not apply two different discounts to the same class (other than the pay-in-advance discount); for example, if a student is receiving a 50% discount for their 6th class, they cannot also apply the 10% family/sibling discount. In most cases, the family/sibling discount will apply to the first class only for the second/third/etc. family member, since the larger multiple-class discount will apply after that. The family/sibling discount is only for members of the same immediate family, registering at the same time with the same person responsible for payment.

PAY-IN-ADVANCE DISCOUNT: Students who pre-pay their entire tuition one month in advance of the September start date also receive an additional 10% discount on top of any other discounts.

ADDITIONAL EXPENSES FOR RECITAL PARTICIPATION (Performing in the recital is optional.):

Please note – Students must participate in the dress rehearsal for the recital in order to perform in the recital itself.

More detailed recital information will be distributed as the date approaches – please check postings at the studio and our Facebook page at www.facebook.com/CincinnatiDance regularly.

- **COSTUME FEE** – Performance Team costume fees are due November 1st, 2018. All other students performing in the recital must turn in costume fees by January 1st, 2019. Per-student costume fees are as follows:
For 30-minute class, costume fee is \$50 per student. For 45-minute or longer class, costume fee is \$65 per student.
(Tights are included for female students.)
Extra-large (XL) sizes are \$10 additional per item. Extra-extra-large (XXL) sizes are \$20 additional per item. Not available in all costume styles. Students are responsible for purchasing their own dancewear for class and their own dance shoes for class and performances, and the type and color must conform to the studio's requirements.
- **RECITAL TICKETS** – Tickets for Dance Extravaganza 2019 (\$12 each) will be available for sale online in May.

WITHDRAWAL AND REFUNDS: Students may withdraw at any time during the year by completing and submitting a withdrawal form, available at the counter. Tuition refund is prorated based on the date that the withdrawal form is submitted, not based on the date class was last attended. For example, if a student paid tuition in full for the year and then stopped attending class after 40% of the classes had met but did not notify us of withdrawal by turning in the withdrawal form until 50% of the classes had met, he/she would receive a 50% refund rather than a 60% refund on tuition. Likewise, until a withdrawal form is submitted, tuition and late fees may continue to accrue and the student would be responsible for payment. Tuition is the only refundable fee; other fees, such as registration fees, costume fees, and late fees, are non-refundable.
